Ookla the Mok is Rand Bellavia and Adam English. Echo's Children is Callie Hills and Cat Faber.

All CDs mentioned above are available from most filk dealers or directly from the artists. Joe

Bethancourt's CDs can be purchased from your local filk dealer or Random Factors

<http://www.random-factors.com/>

This CD was compiled, engineered and published by Harold Stein for ConCertino. Cover art by Jane Sibley.

This CD is dedicated to the memory of those whom we have lost in the past year. They are missed and not forgotten. May their names be added to the clacks.

All recordings used with permission of the performers and the publishers. Thank you to everyone for permission to use your songs on this album.
